

How to Access the Alberta Geospatial Services Platform (AGSP) Portal

This document will guide you on the process of accessing the Alberta Geospatial Services Platform (AGSP) Portal.

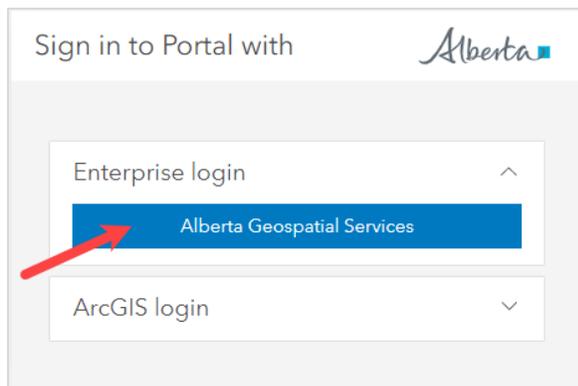

To access the Alberta Geospatial Services Platform you will require a [MyAlberta Digital ID for Business](#) account (recommended) or a personal [MyAlberta Digital ID](#) account (not available for clients outside of Alberta). For instructions on how to create and manage a MyAlberta Digital ID for Business account visit <https://www.alberta.ca/assets/documents/trans-creating-myalberta-digital-id-business-account.pdf>

Once either account is created and verified you will be able to use the account to access the Alberta Geospatial Services Platform (AGSP) Portal.

1. **Go to** the Alberta Geospatial Services Platform (AGSP) Portal using the link below and **click** on the “Sign In” button.
<https://geospatial.alberta.ca/portal/home/>

2. **Click** the blue “Alberta Geospatial Services” button.
3. Then **Click** “MyAlberta Digital ID for Business” or “MyAlberta Digital ID” button.

4. **Enter** your “MyAlberta Digital ID for Business” or “MyAlberta Digital ID” User Name and Password, once signed in you will be redirected back to the Alberta Geospatial Portal.
